**General Marshall  
Middle School**

**Bilingual  
Counselor**

I grew up surrounded by the beauty of the Blue ridge mountains of Virginia where I received a B.S. I taught ESL courses to parents of school aged-children in California. I recently completed a graduate degree in Social Work. This year will be my tenth year as a school counseling with AISD.

I am excited to connect with our students and families! I look forward to collaborating with the General Marshall community to supporting students as they develop the approaches to learning they need for strong academic, social and emotional characteristics. I enjoy using art, nature and movement to focus on strengths and process challenging experiences and feelings.
